

SENATE BILL 3268
By Burchett

AN ACT to amend Tennessee Code Annotated, Title 55,
Chapter 51, Part 1, relative to motorcycle rider
education and safety.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 55-51-102(f), is amended by deleting the subsection in its entirety and by substituting instead the following language:

(f) The department may enter into contracts with either public or private institutions for technical assistance in conducting rider training courses, if the course is administered and taught by a trained motorcycle rider instructor as established in §55-51-103. A private organization providing a rider training course may charge a tuition fee; provided, that a private organization receiving a subsidy grant to provide for the start-up costs incurred in establishing such rider training course may charge a tuition fee with a maximum tuition fee to be determined by the department.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
